TECHNICAL MEETING

The technical meeting will take place at **12:00 on Monday 2nd April** in Meeting Room 1 on the third floor at Plymouth Life Centre.

DIVE SHEETS

Divers/Coaches are requested to submit dive sheets electronically, both for their own convenience and to minimize the chance of errors loading the data into the Recording program. Coaches may make bulk submission of dive sheets on behalf of their divers by using the program DiveSheets with which they will already be familiar. Alternatively, individual divers may submit their own dive sheets on-line. Please agree with your coach which method you should use. To submit your dive sheets on-line there are two options:

- Either visit: www.diverecorder.co.uk/onlinesheets and follow the instructions, or
- if you have an Android phone or tablet, you can get the ADiveSheets app from this page on the DiveRecorder website: www.diverecorder.co.uk/dive/android

As soon as you complete either on-line submission method, you will see a success/failure message.

If you experience problems and need assistance please contact Ann Barker AnnBarker@aol.com

Electronic submissions must be made by Midnight on Sunday 1st April 2018. You will be asked to sign hard copies of these sheets at the venue, available from the Recorders. If neither you nor your Coach are able to use the above electronic methods, you can submit a hard copy of your lists of dives to the Recorders. **The deadline for manual dive sheets is at the Technical Meeting on 2nd April.**

Platform synchronised competitions (TEST EVENT) – rule clarification:

- Divers from Group C are only permitted to compete from 5/7.5m** with the same guidance as individual events.

Format for British Elite Junior Diving Championships:-

- Age Group A, B and C divers will perform their full list of dives in the preliminary. The top six (6) British divers will proceed to the final. A maximum of six (6) guest divers, but no more than two (2) per team/country, whose scores are equal to or better than the sixth placed British diver will also proceed to the final. If there are less than 6 British divers then a maximum of 6 guest divers, but no more than two per team/country, will progress to the final.
- In the final the divers will perform their optional dives, competing in the reverse order of their preliminary rankings, and the final result will be determined by adding their score from the final to that of the required dives total from the preliminary.
- No dive may be repeated in a list of dives. All dives in the preliminary and final, including that of the carried required dives must be of a different dive (dive number).
- Age Group categories and limits refer to the age of the diver on 31st December in the year of competition
- Minimum age for competitors is 9 years on 31 December in the year of competition
- Synchronised events will be straight finals.

Eligibility

To dive Synchro at any GB event, both members of the pair must be diving at least 1 individual event at that Meet.

*Qualification Scores are set by a National Technical Panel and reviewed annually. All scores continue to be recommended scores for **2018**, however it is strongly advised that all coaches encourage their divers to achieve their required score at one or more of the events below:

>>Regional event

>>Last year’s National event (as long as they remain in the same age group)

If a diver is not demonstrating the minimum standard of performance, the coach to the diver may be engaged by a member of British Diving Management and the event referee to discuss the most suitable performance level for the diver in the future.

General Competition Conditions for ASA and BS Diving Competitions

1: A diver may compete at Skills Finals and Swim England Diving National Age Group Championships in a given year if they have been a registered competitor for less than 2 years. If a diver is in their 3rd season or more of competitive registration they may only complete in one event: Skills finals or Swim England Diving National Age Group Championships.

2: Once a competitor has competed at Swim England Diving National Age Group Championships, they are excluded from competing at future Skills finals, except with written approval from the Group when moving into the B+ age group.

3: If a competitor has competed at British Elite Junior Diving Championships they are not eligible to compete at the future Swim England Diving National Age Group Championships, except with written approval from the Group when moving up an age group.

4: If a competitor has competed at any GB Diving Championships in any event (including synchro), they are not eligible to compete at future Swim England Diving National Age Group Championships.

Failure to comply with these conditions will result in disqualification.

Definitions

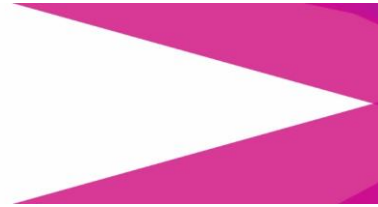

Competing/competed. Divers are considered to be competing or to have competed at a certain level if they entered the contest – even if they did not dive due to injury or illness.

BRITISH ELITE JUNIOR DIVING CHAMPIONSHIPS 2018

PLYMOUTH LIFE CENTRE
2 – 5 APRIL

For example, if a diver was entered for the GB Diving Championships, but did not dive due to injury they cannot compete at the Swim England Diving National Age Group Championships.

ACCREDITATION

Accreditation for all competitors and coaches will be photographic. You will have received your accreditation automatically by email at the time of entering the event online. Please print this and bring to the event with you. There will be security present at the event and in order to enter both the seating and field of play area you will need accreditation.

COACH/CHAPERONE PASSES

All coaches, chaperones and physiotherapists must have a valid poolside pass to gain access to the pool deck. Applications for coach/chaperone passes will be charged at £8 per event and can be purchased [here](#). No late fees apply, however if you do not fulfil the new requirements for applications at British Swimming and Swim England events, it may take a considerable time to apply for a DBS, or achieve the required qualifications. Accreditations will be emailed to you to print out, in the same way that athletes receive theirs. Please ensure you print out your own pass as if you need it printing onsite a charge of £10.00 applies. Poolside passes can **only** be sold at the event for those who pass all requirements online. Please email georgina.coulson@swimming.org if you have any queries.

Please note that Coaches/Chaperones will not be allowed on poolside without a valid accreditation
