## TECHNICAL MEETING

The technical meeting will take place at **18:00 on Wednesday 12 April** in the yoga studio at Plymouth Life Centre.

## DIVE SHEETS

Divers/Coaches are requested to submit dive sheets electronically, both for their own convenience and to minimize the chance of errors loading the data into the Recording program. Coaches may make bulk submission of dive sheets on behalf of their divers by using the program DiveSheets with which they will already be familiar. Alternatively, individual divers may submit their own dive sheets online. Please agree with your coach which method you should use. To submit your dive sheets online there are two options:

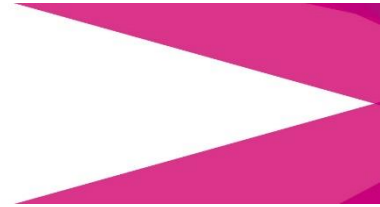

Either visit: [www.diverecorder.co.uk/onlinesheets](http://www.diverecorder.co.uk/onlinesheets) and follow the instructions, or

If you have an Android phone or tablet, you can get the ADiveSheets app from this page on the DiveRecorder website: [www.diverecorder.co.uk/dive/android](http://www.diverecorder.co.uk/dive/android)

As soon as you complete either online submission method, you will see a success/failure message. If you experience problems and need assistance please contact Jackie Laughler at [jackielaugher@yahoo.com](mailto:jackielaugher@yahoo.com)

Electronic submissions must be made by 08.00am on Wednesday 12 April. You will be asked to sign hard copies of these sheets at the venue, available from the Recorders.

If neither you nor your Coach are able to use the above electronic methods, you can submit a hard copy of your lists of dives to the Recorders at Plymouth Life Centre. The deadline to submit manual dive sheets is 13:00 on Wednesday 12 April.

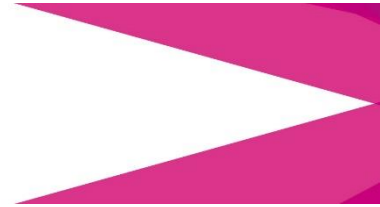

For late entries, please do not submit a dive sheet until the late entry has been submitted and processed.

## **GB DIVING EVENTS – COMPETITION FORMAT/REGULATIONS**

(See also, General Conditions)

- All dives of the same number shall be regarded as the same dive.
- Only dives in the FINA diving tables or pursuant with the FINA formula may be executed.
- The diver and the diver’s representative are responsible for the accuracy of the statement in their list and the statement of dives shall be signed by the diver and the diver’s representative.
- Medals shall be awarded in all GB Diving Championships and Competitions to the first three placed divers in each competition and where different, to the first three placed British divers (see General Conditions for definitions of British).
- Please consider the following clauses carefully when selecting events for your divers.

## **ELIGIBILITY**

To dive Synchro at any GB event, both members of the pair must be diving at least 1 individual event at that Meet.

\*Qualification Scores are set by a National Technical Panel and reviewed annually. All scores continue to be recommended scores for **2023**, however it is strongly advised that all coaches encourage their divers to achieve their required score at one or more of the events below:

If a diver is not demonstrating the minimum standard of performance, the coach to the diver may be engaged by a member of British Diving Management and the event referee to discuss the most suitable performance level for the diver in the future.

## **GENERAL COMPETITION CONDITIONS FOR ASA AND BS DIVING COMPETITIONS**

1: A diver may compete at Skills Finals and Swim England Diving National Age Group Championships in a given year if they have been a registered competitor for less than 2 years. If a diver is in their 3<sup>rd</sup> season or more of competitive registration they may only complete in one event: Skills finals or Swim England Diving National Age Group Championships.

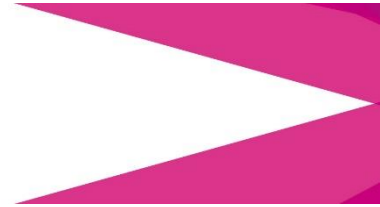

2: Once a competitor has competed at Swim England Diving National Age Group Championships, they are excluded from competing at future Skills finals, except with written approval from the Group when moving into the B+ age group.

## BRITISH ELITE JUNIOR DIVING CHAMPIONSHIPS 2023

PLYMOUTH LIFE CENTRE, PLYMOUTH  
13-16 APRIL

3: If a competitor has competed at British Elite Junior Diving Championships they are not eligible to compete at the future Swim England Diving National Age Group Championships, except with written approval from the Group when moving up an age group.

4: If a competitor has competed at any GB Diving Championships in any event (including synchro), they are not eligible to compete at future Swim England Diving National Age Group Championships.

Failure to comply with these conditions will result in disqualification.

### DEFINITIONS

**Competing/competed.** Divers are considered to be competing or to have competed at a certain level if they entered the contest – even if they did not dive due to injury or illness.

For example, if a diver was entered for the GB Diving Championships, but did not dive due to injury they cannot compete at the Swim England Diving National Age Group Championships.

### INTERNATIONAL ENTRIES

International Federation Team and International Club Team entries are welcome to the three GB National Diving Events (GB Championships, GB Elite Juniors, GB National Cup)

- GB Teams have unlimited number of entries, but they must have achieved the recommend qualification standard in the preceding 12 months.
- Finals may consist of 12 divers.
- A minimum of 6 British Divers ranked as British Divers regardless of placing will progress to the final.
- The remaining places will be filled with either British or International divers. International divers up to 6 divers may qualify for the final, but must place in the top 12 in the preliminary round.
- If more than 6 non British Divers place in the top 12 in the preliminary round, only the top 6 will progress to the final.

### ATHLETE COMPETITION SWIMSUITS

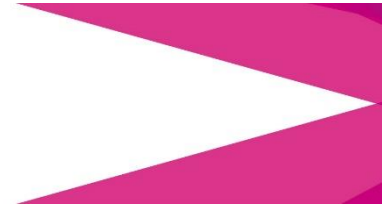

British Divers are required to either wear club costumes or costumes without national team branding. This applies to both GB National Team and International Team branded swim suits (example no international team costumes are permitted).

International divers may wear either their own national team kit or unbranded suits, but not GB National team swim suits.

## DOPING CONTROL

By entering this event, you / your child, consents to report to Doping Control if requested any time during this event. You also agree to abide by the British Swimming & UKAD Anti-Doping Rules. For further information, See Link [Anti-Doping | British Swimming](#)
