- No dive may be repeated in a list of dives. All dives in the preliminary and final, including

that of the carried required dives must be of a different dive (dive number).

- Age Group categories and limits refer to the age of the diver on 31st December in the year of competition
- Minimum age for competitors is 9 years on 31 December in the year of competition
- Synchronised events will be straight finals.

COMPETITION FORMAT/REGULATIONS (See also, General Conditions)

- All dives of the same number shall be regarded as the same dive.
- Only dives in the World Aquatics diving tables or pursuant with the World Aquatics formula may be executed.
- The diver and the diver’s representative are responsible for the accuracy of the statement in their list and the statement of dives shall be signed by the diver and the diver’s representative.

- Medals shall be awarded to the first three placed divers in each competition and where different, to the first three placed British divers (see General Conditions for definitions of British).
- Please consider the following clauses carefully when selecting events for your divers.

ELIGIBILITY

To dive Synchro at the British Elite Junior Diving Championships, both members of the pair must be diving at least 1 individual event at that Meet. If a diver is not demonstrating the minimum standard of performance, the coach to the diver may be engaged by a member of British Diving Management and the event referee to discuss the most suitable performance level for the diver in the future.

GENERAL COMPETITION CONDITIONS FOR SWIM ENGLAND, SCOTTISH SWIMMING AND BRITISH DIVING COMPETITIONS

- Once a diver has competed in the British Elite Junior Diving Championships, British National Cup, British Championships or Scottish National & Open Championships in any event (including synchro) they are not eligible to compete at National Skills finals.
- A diver who has competed at British Elite Junior Diving Championships is not eligible to compete at the Swim England National Age Group Championships or Scottish National Age Groups, unless moving up an age category and with written approval from the Diving Leadership group (SE) or Scottish National Diving committee.

Failure to comply with these conditions will result in disqualification.

DEFINITIONS

Competing/competed. Divers are considered to be competing or to have competed at a certain level if they entered the contest – even if they did not dive due to injury or illness.

For example, if a diver was entered for the GB Diving Championships, but did not dive due to injury they cannot compete at the Swim England Diving or Scottish National Age Group Championships.

INTERNATIONAL ENTRIES

International Federation Team and International Club Team entries are welcome at the British Elite Junior Diving Championships 2024

- Two divers per international team may enter each competition. Teams may request to enter more than 2 divers in an event but only 2 divers per nation can go through to the finals.
- GB Teams have unlimited number of entries, but they should have achieved the recommend qualification standard in the preceding 12 months.
- The final will be made up of the top 8 British Divers
- Up to 4 international divers may proceed to the final, but only if they rank in the top 8 of the British Junior Elite preliminary event.
- A minimum of 8 British Divers will progress to the final.
- If more than 4 non British Divers place in the top 8 in the preliminary round, only the top 4 will progress to the final.

ATHLETE COMPETITION SWIMSUITS

British Divers are required to either wear club costumes or costumes without national team branding. This applies to both GB National Team and International Team branded swim suits (example no international team costumes are permitted).

International divers may wear either their own national team kit or unbranded suits, but not GB National team swim suits.
