## TECHNICAL MEETING

The technical meeting will take place at 18:00 on Wednesday 9<sup>th</sup> April at Plymouth Life Centre. Location will be confirmed in due course.

## DIVE SHEETS

Divers/Coaches are requested to submit dive sheets electronically, both for their own convenience and to minimize the chance of errors loading the data into the Recording program. Coaches may make bulk submission of dive sheets on behalf of their divers by using the program DiveSheets with which they will already be familiar. Alternatively, individual divers may submit their own dive sheets on-line. Please agree with your coach which method you should use. To submit your dive sheets on-line there are two options:

- Either visit: [www.diverecorder.co.uk/online sheets](http://www.diverecorder.co.uk/online sheets) and follow the instructions, or
- If you have an Android phone or tablet, you can get the A DiveSheets app from this page on the DiveRecorder website:  
[www.diverecorder.co.uk/dive/android](http://www.diverecorder.co.uk/dive/android)

As soon as you complete either on-line submission methods, you will see a success/failure message. If you experience problems and need assistance, please contact Jackie Laugher: [jackielaugher@yahoo.com](mailto:jackielaugher@yahoo.com)

**Electronic dive sheets must be submitted where possible. Electronic submissions must be made by 09:00 on Wednesday 9<sup>th</sup> April 2025.** You will be asked to sign hard copies of these sheets at the venue, available from the Recorders.

If neither you nor your Coach are able to use the above electronic methods, you can submit a hard copy of your lists of dives to the Recorders at Plymouth Life Centre.

**If manual dive sheets need to be submitted, submissions must be by 12:00 (Midday) on Wednesday 9<sup>th</sup> April 2025.**

For late entries, please do not submit a dive sheet until the late entry has been submitted and processed.

## REGISTRATION/MEMBERSHIP DEADLINE

Divers should be registered with their respective Home Nation Governing Body 60 days prior to the commencement of the National Event ("The Meet") for which the diver is entering.

International divers must be a member of their country's diving federation in order to enter.

A maximum of four (4) guest divers, but no more than two (2) per team/country, whose scores are equal to or better than the eighth placed British diver will also proceed to the final. If there are less than 8 British divers then a maximum of 4 guest divers, but no more than two per team/country, will progress to the final.
- In the final the divers will perform their optional dives, competing in the reverse order of their preliminary rankings, and the final result will be determined by adding their score from the final to that of the required dives total from the preliminary.
- No dive may be repeated in a list of dives. All dives in the preliminary and final, including that of the carried required dives must be of a different dive (dive number).
- Age Group categories and limits refer to the age of the diver on 31st December in the year of competition
- Minimum age for competitors is 9 years on 31 December in the year of competition
- Synchronised events will be straight finals.

## Competition Format/Regulations (See also, General Conditions)

- *All dives of the same number shall be regarded as the same dive.*
- *Only dives in the World Aquatics diving tables or pursuant with the World Aquatics formula may be executed.*
- *The diver and the diver's representative are responsible for the accuracy of the statement in their list and the statement of dives shall be signed by the diver and the diver's representative.*
- *Medals shall be awarded to the first three placed divers in each competition and where different, to the first three placed British divers (see General Conditions for definitions of British).*
- *Please consider the following clauses carefully when selecting events for your divers.*

## Eligibility

To dive Synchro at the Aquatics GB Elite Junior Diving Championships, both members of the pair must be diving at least 1 individual event at that Meet.

If a diver is not demonstrating the minimum standard of performance, the coach to the diver may be engaged by a member of Aquatics GB Diving Leadership Team and the event referee to discuss the most suitable performance level for the diver in the future.

## General Competition Conditions for Swim England, Scottish Swimming and Aquatics GB Competitions

1. Once a diver has competed in the Aquatics GB Elite Junior Diving Championships, Aquatics GB Winter Cup, Aquatics GB Diving Championships or Scottish National & Open Championships in any event (including synchro) they are not eligible to compete at National Skills finals.
2. A diver who has competed at Aquatics GB Elite Junior Diving Championships is not eligible to compete at the Swim England National Age Group Championships or Scottish National Age Groups, unless moving up an age category and with written approval from the Diving Leadership group (SE) or Scottish National Diving committee.

Failure to comply with these conditions will result in disqualification.

## Definitions

***Competing/competed. Divers are considered to be competing or to have competed at a certain level if they entered the contest – even if they did not dive due to injury or illness.***

For example, if a diver was entered for the Aquatics GB Diving Championships, but did not dive due to injury they cannot compete at the Swim England Diving or Scottish National Age Group Championships.

## International Entries

International Federation Team and International Club Team entries are welcome at the Aquatics GB Elite Junior Diving Championships 2025

- Two divers per international team may enter each competition. Teams may request to enter more than 2 divers in an event but only 2 divers per nation can go through to the finals.
- GB Teams have unlimited number of entries, but they should have achieved the recommend qualification standard in the preceding 12 months.
- The final will be made up of the top 8 British Divers
- Up to 4 international divers may proceed to the final, but only if they rank in the top 8 of the Aquatics GB Junior Elite preliminary event.
- A minimum of 8 British Divers will progress to the final.
- If more than 4 non British Divers place in the top 8 in the preliminary round, only the top 4 will progress to the final.

## Athlete Competition Swimsuits

British Divers are required to either wear club costumes or costumes without national team branding. This applies to both GB National Team and International Team branded swimsuits (example no international team costumes are permitted). International divers may wear either their own national team kit or unbranded suits, but not GB National team swimsuits

## PHOTOGRAPHY POLICY

Aquatics GB are well aware of the wide range of devices including mobile telephones which have photographic and filming capabilities. This enables the capture of both static and moving images. It should be acknowledged that the majority of images taken within an Aquatics GB setting are appropriate and taken in good faith. However, images of children and adults can be misused, and sharing images widely without consent may betray a confidence or identify of a child or adult, which could present a risk of harm to that individual if common sense procedures are not followed.

Parents and carers of participants under the age of 18 who wish to take images are requested to focus on their own children as much as reasonably possible and to avoid including other children in images, particularly if those images are being shared with family and friends or through social media platforms. Whilst it is acknowledged that parents/carers wish to celebrate the achievements of their own children when taking part in aquatic events, it should be recognised and respected that other parents/carers may not wish for their child's image to be taken and shared in this way.

Aquatics GB encourage all spectators and participants at Aquatics GB events to make themselves familiar with the photography and filming arrangements for the event and be vigilant during that event.

Aquatics GB is committed to ensuring that all children who participate in Aquatics GB activities are able to take part in an enjoyable, safe environment and be safeguarded from harm. If you have any child safeguarding concerns at the event, please contact an Event Officer immediately to disclose your concerns.

This event **will be photographed and live streamed**. Static images will be displayed on the Aquatics GB website [HERE](#). They will be used to promote the sport at this event and events in the future. Moving images may be displayed at the venue and via live stream [HERE](#). In addition, Aquatics GB may use these recordings and images for the purposes of education and training, swimmer analysis, promotion, performance, development and selection and event analysis.

In such instances where the event is being live streamed, it will not be possible to provide the option to refuse consent to filming and if there are any concerns, please speak to the Event Officer present. However, if individuals wish to refuse consent to static photography, please complete the Photography Refusal of Consent Form below and return to Aquatics GB Events Department.

If you, as a Parent/Guardian/Carer, have concerns about your child being photographed/filmed, please refer to the relevant Home Nation guidance document: Wavepower the Swim England Child Safeguarding Policy and Procedures; YPlant the Swim Wales Child Protection Policy; Scottish Swimming Child Protection Policy. If you have any concerns in this area, please contact the Data Protection Officer.
