2026 PARA SWIMMING EUROPEAN CHAMPIONSHIPS SELECTION POLICY

1 POLICY PURPOSE

- 1.1 This selection policy outlines the process for selecting the Para Swimming team to represent Great Britain at the 2026 Para Swimming European Championships in **tbc on tbc**.

2 PERFORMANCE OBJECTIVES

- 2.1 The performance objectives for this event are:
- 2.1.1 to maximise medal outcomes in Los Angeles 2028 Paralympic events
 - 2.1.2 to provide international competition experience for athletes on a trajectory for podium performance at the Los Angeles 2028 Paralympic Games

3 SELECTION OVERVIEW

- 3.1 All selections will be made by a Selection Panel (the 'Panel') comprising three (3) members. The Panel members are: The Aquatics GB Performance Strategy and Operations Director (Para Programme Lead), Head Coach Para Swimming and the Performance Pathway Lead Para Swimming, with selections made by majority decision. The meeting will be chaired by the World Class Para Programme Manager. A record of the selection meeting will be taken by a note taker, and an independent observer will also attend the selection meeting to ensure due process.
- 3.2 Selections will be made in two phases:
- 1) **PHASE 1** – from performances at the 2025 World Para Swimming Championships, Singapore, 21st-27th September 2025 (clause 5.2)
 - 2) **PHASE 2** – from performance at the 2026 Aquatics GB (AGB) Championships, London, 14th-19th April 2026 (clauses 5.3 and 5.4)
- 3.3 In the event that the either or both events listed in clause 3.2 are cancelled or postponed the team will be selected at the discretion of the Panel subject to World Para Swimming (WPS) Conditions.

4 TEAM SIZE

- 4.1 Up to a maximum of 30 swimmers may be selected for the 2026 Para Swimming European Championships. The total number of swimmers will be at the complete discretion of the Para Programme Lead, and subject to available funding and clause 4.2.
- 4.2 The Para Programme Lead may increase the total team size stated in clause 4.1 in exceptional circumstances if there is a need (as determined by the selection panel) for a larger team size to meet WPS Paralympic Games eligibility criteria (scheduled to be published in January 2026).
- 4.3 A maximum of three (3) swimmers per event for each individual event and two (2) teams in relay events as per WPS rules.
- 4.4 All athletes must meet the Minimum Qualification Standard (MQS) set by WPS to be entered in an individual event.
- 4.5 Athletes based overseas (outside of the United Kingdom) should take specific note of the General Conditions of this policy, with specific reference to clauses G3, G8 and G9.

5 SELECTION PROCESS

5.1 Athletes will be selected in the following priority order:

1. 2025 World Para Swimming Championships gold medallists, subject to clause 5.2 (Phase 1)
2. Medal potential for Los Angeles 2028 Paralympic Games (athletes recording a time equal or better to the Table 1 time, subject to clause 5.3) (Phase 2)
3. Discretionary selections, subject to clause 5.4 (Phase 2)

2025 World Para Swimming Championships gold medallists

5.2 Up to five (5) athletes will be selected. All gold medallists in individual Los Angeles 2028 Paralympic Games events at the 2025 World Para Swimming Championships 21st-27th September 2025 will be **considered** for selection. The panel will prioritise selections based on the athlete's AGB Para dashboard, with priority given to athletes with a positive performance trajectory and ranked accordingly. Athletes selected under this clause will be selected for the event they have medalled in and notified by Friday 7th November 2025.

Medal potential for Los Angeles 2028 Paralympic Games

5.3 Athletes equalling or bettering the published Aquatics GB Qualifying Times (QT) in Los Angeles 2028 Paralympic Games events set out in Table 1 at the 2026 AGB Championships will be considered for selection by the Panel. Where the number of athletes exceeds the maximum team size, athletes selected under this clause will be ranked by percentage inside the QT with the top ranked athletes (subject to clause 4.3) prioritised for selection.

Discretionary selections

5.4 Discretionary selections up to the maximum team size (pursuant to clauses 4.1, 4.2, 4.3 and 4.4) will be made by the Panel in consideration to the stated performance objectives in clause 2.1. These selections will be made in two phases:

- i. At the Team selection meeting on 20th April 2026
- ii. At a selection meeting on 15th May 2026 where consideration will be given to any newly classified athletes pursuant clause 5.5.

5.5 In making discretionary selections the Panel will consider additional individual (where places remain) and relay events, where athletes may be selected to develop Great Britain's relay representation. Additional selections will be subject to WPS MQS and Wild Card Applications subject to WPS Entry criteria.

5.6 Athletes selected under clauses 5.3 will be notified on or before 24th April 2026. Selections under 5.4 will be notified on 18th May 2026.

6 CLASSIFICATION STATUS

6.1 If a swimmer's classification changes between the point of selection and the 2026 Para Swimming European Championships, the athlete will be deselected. The panel reserve the right to consider the athlete for selection under their new classification, based on an analysis of their competitiveness in their event in their new classification.

7 EVENT ENTRIES

7.1 This policy selects athletes onto the 2026 European Para Championship Team. With the exception of athletes selected under clause 5.2, the Head Coach Para Swimming in consultation with the Para Programme Lead has the responsibility to then determine all final event entries.

7.2 Entries for non-2028 Los Angeles Paralympic Games events will be at the complete discretion of the Head Coach Para Swimming in consultation with the Para Programme Lead.

7.3 All team members selected will be eligible for selection for relay teams and be expected to compete in these events if selected.

8 ANNOUNCEMENT

8.1 The 2026 World Championships Team will be formally announced (on the Aquatics GB website) on or before Monday 27th April 2026.
