SPORT NATIONALITY

Championship Condition 1e makes reference to Sport Nationality – the following is an abridged explanation of what this means

In order to be eligible to compete at an International Competition an athlete shall have a 'Sport Nationality' to represent a World Aquatics Member in this case Great Britain (GBR). To satisfy this requirement he/she shall be affiliated to GBR and is a citizen of the Country that the Athlete represents by virtue of:

- a) being a citizen of the Country by birth; or
- b) being a citizen of the Country through naturalization and having uninterrupted residence in the Country for at least three years prior to his/her first International Competition.

In order to progress to a Final competitors **MUST** have GBR as their Sport Nationality. Any potential entrant who is not sure if they comply with this requirement must contact the Event Officer before submitting an entry.

Sport Nationality is also referred to as 'Country of International Representation' on the Home Nation Membership Systems. This is the membership information used to determine an Athlete's Sport Nationality. England, Scotland or Wales entered on a membership system of this field will indicate GBR as your Sport Nationality. If an Athlete's Sport Nationality changes as per the below World Aquatics or International Paralympic Committee requirements, please ensure this is amended on their respective Home Nation membership **as at 14th April 2026**.

The full requirements in relation to 'Sport Nationality' by World Aquatics can be found [here](#) in World Aquatics Rules – Competition Regulation 3 (Page 8-9).

The full requirements in relation to 'Nationality' by the International Paralympic Committee can be found [here](#).

DBS/PVG AND SAFEGUARDING

Swim England

All Swim England clubs and license applicants will have completed a DBS (CRB) application regardless of any previous check carried out through another organisation unless this has been registered with the DBS Update Service www.gov.uk/dbs-update-service. If you hold a disclosure that has been registered with the DBS Update Service, and you have not yet given the Swim England written consent to check the status, please submit your original disclosure certificate along with a completed consent form to dbs@swimming.org. Please also email dbs@swimming.org for a DBS Update Service Consent form.

Scottish Swimming/Swim Wales

Minimum Qualification/Requirements (specific to accredited role)

- Coaches - Coaching Qualification or Assistant Coach Certificate
- Team Manager – Team Manager Training Module 1 or 2 Certificate
- Chaperone – Club authorisation to be acting in loco parentis on behalf of the Club

PLEASE NOTE: It is the applicant's responsibility to ensure a DBS is in place and a pass has been purchased to attend the event. Under no circumstances will any person be allowed entry to the event without the relevant safeguarding checks in place and pass issued.

Please email british.events@aquaticsgb.com if you have any queries.

Scottish Swimming, Swim Wales and International Poolside Passes must be created and sent manually. They will be sent out prior to the event if you have the appropriate Safeguarding checks and qualifications on file.

Poolside passes will be emailed to you in PDF format to print out and bring to the event, please ensure you print these before arriving at the venue. Pouches and lanyards will be provided.

WITHDRAWALS

To ensure validity, withdrawal of an athlete from either a heat or final of an event can only be carried out by Team Staff members of the athlete's club who are in possession of a Coach, Team Manager or Chaperone event accreditation.

We encourage that accreditations are purchased as early as possible to ensure athletes can be withdrawn.

Once a relevant accreditation has been issued team staff will have access via a unique link to submit withdrawals. The unique withdrawal link can be found within the same email as the accreditation.

If an Athlete requires withdrawing prior to the Championships and, a Coach or Team Manager from their club has not yet purchased an accreditation, written confirmation of the withdrawal via email is required from a Coach or Team Manager to agbnational.entries@aquaticsqb.com before a manual withdrawal can be processed.

If a withdrawal cannot be done via the online withdrawal system during the event, due to no Coach or Team Manager from their respective club purchasing an accreditation, Athletes are required to present to the Timing Suite with their accreditation to confirm their identity before a manual withdrawal can be processed.

By entering this event you/your child (if athlete is under 18), consent to report to Doping Control if requested at any time during this event. You further agree to be bound by the [British Swimming Anti-Doping Rules 2021](#).

If an athlete is subject to doping control, they should ensure they provide detail of all medications (prescribed or over the counter and including dosage) and supplements taken within the last 7 days in advance of the test and (where the sample collected is a blood sample) blood transfusions within the previous three (3) months, on the Doping Control Form. Any previously disclosed medications or supplements to your club and/or your home nation do not form any part of doping control.

If the medication you are taking is prohibited in or out of competition you may require a TUE. Please read the details below.

Therapeutic Use Exemption (TUE)

If an athlete **IS WITHIN** the National TUE Pool they are required to obtain a TUE before using a prohibited medication or method. You can check if you are within the National TUE Pool via <https://www.ukad.org.uk/national-tue-pool> and selecting 'aquatics'.

If an athlete is **NOT** within the National TUE Pool but using a prohibited medication or method **and** is subject to doping control they are required to apply for a retroactive TUE and you should contact Jane Smith (jane.smith@aquaticsgb.com or 07917 834785) as soon as possible after doping control. FILMING AND PHOTOGRAPHY

FILMING AND PHOTOGRAPHY POLICY

Aquatics GB are aware of the wide range of devices including mobile telephones which have photographic and filming capabilities. This enables the capture of both static and moving images. It should be acknowledged that the majority of images taken within an Aquatics GB setting are appropriate and taken in good faith. However, images of children and adults can be misused, and sharing images widely without consent may betray a confidence or identify of a child or adult, which could present a risk of harm to that individual if common sense procedures are not followed.

Parents and carers of participants under the age of 18 who wish to take images are requested to focus on their own children as much as reasonably possible and to avoid including other children in images, particularly if those images are being shared with family and friends or through social media platforms. Whilst it is acknowledged that parents/carers wish to celebrate the achievements of their own children when taking part in aquatic events, it should be recognised and respected that other parents/carers may not wish for their child's image to be taken and shared in this way.

Aquatics GB encourage all spectators and participants at Aquatics GB events to make themselves familiar with the photography and filming arrangements for the event and be vigilant during that event.

Aquatics GB is committed to ensuring that all children who participate in Aquatics GB activities can take part in an enjoyable, safe environment and be safeguarded from harm. If you have any child safeguarding concerns at the event, please contact an Event Officer immediately to disclose your concerns.

EVENT PHOTOGRAPHY AND FILMING

This event **will be photographed and live streamed**. Static images will be displayed on the Aquatics GB website [here](#). They will be used to promote the sport at this event and events in the future. Moving images may be displayed at the venue and via live stream [here](#). In addition, Aquatics GB may use these recordings and images for the purposes of education and training, swimmer analysis, promotion, performance, development and selection and event analysis.

In such instances where the event is being live streamed, it will not be possible to provide the option to refuse consent to filming and if there are any concerns, please

speak to the Event Officer present. However, if individuals wish to refuse consent to static photography, please complete the Photography Refusal of Consent Form below and return to Aquatics GB Events Department.

If you, as a Parent/Guardian/Carer, have concerns about your child being photographed/filmed, please refer to the relevant Home Nation guidance document: Wavepower the Swim England Child Safeguarding Policy and Procedures; YPlant the Swim Wales Child Protection Policy; Scottish Swimming Child Protection Policy. If you have any concerns in this area, please contact the Data Protection Officer.

Our photography refusal form is available on the next page.

Please note that professional photography is not permitted at this event without prior written consent. Personal photography for private use is welcome provided it does not disrupt the event or infringe on the privacy of others.
