DIVE SHEETS

Divers/Coaches are requested to submit dive sheets electronically, both for their own convenience and to minimize the chance of errors loading the data into the Recording program. Coaches may make bulk submission of dive sheets on behalf of their divers by using the program DiveSheets with which they will already be familiar. Alternatively, individual divers may submit their own dive sheets on-line. Please agree with your coach which method you should use. To submit your dive sheets on-line there are two options:

- Either visit: www.diverecorder.co.uk/onlinesheets and follow the instructions, or
- if you have an Android phone or tablet, you can get the ADiveSheets app from this page on the DiveRecorder website: www.diverecorder.co.uk/dive/android

As soon as you complete either on-line submission method, you will see a success/failure message.

If you experience problems and need assistance please contact Jackie Laugher:
jackielaugher@yahoo.com

Electronic dive sheets must be submitted where possible. Electronic submissions must be made by 18:00 on Tuesday 3rd June 2025. You will be asked to sign hard copies of these sheets at the venue, available from the Recorders.

If neither you nor your Coach are able to use the above electronic methods, you can submit a hard copy of your lists of dives to the Recorders at Sandwell Aquatics Centre.

If manual dive sheets need to be submitted, submissions must be made by 2 hours before the Technical Meeting.

For late entries, please do not submit a dive sheet until the late entry has been submitted and processed.

PHOTOGRAPHY POLICY

Aquatics GB are well aware of the wide range of devices including mobile telephones which have photographic and filming capabilities. This enables the capture of both static and moving images. It should be acknowledged that the majority of images taken within an Aquatics GB setting are appropriate and taken in good faith. However, images of children and adults can be misused, and sharing images widely without consent may betray a confidence or identify a child or adult, which could present a risk of harm to that individual if common sense procedures are not followed.

Parents and carers of participants under the age of 18 who wish to take images are requested to focus on their own children as much as reasonably possible and to avoid including other children in images, particularly if those images are being shared with family and friends or through social media platforms. Whilst it is acknowledged that parents/carers wish to celebrate the achievements of their own children when taking part in aquatic events, it should be recognised and respected that other parents/carers may not wish for their child's image to be taken and shared in this way.

Aquatics GB encourage all spectators and participants at Aquatics GB events to make themselves familiar with the photography and filming arrangements for the event and be vigilant during that event.

Aquatics GB is committed to ensuring that all children who participate in Aquatics GB activities are able to take part in an enjoyable, safe environment and be safeguarded from harm. If you have any child safeguarding concerns at the event, please contact an Event Officer immediately to disclose your concerns.

This event **will be photographed and live streamed**. Static images will be displayed on the Aquatics GB website [HERE](#). They will be used to promote the sport at this event and events in the future. Moving images may be displayed at the venue and via live stream at www.britishswimming.org. In addition, Aquatics GB may use these recordings and images for the purposes of education and training, diver analysis, promotion, performance, development and selection and event analysis.

In such instances where the event is being live streamed, it will not be possible to provide the option to refuse consent to filming and if there are any concerns, please speak to the Event Officer present. However, if individuals wish to refuse consent to static photography, please complete the Photography Refusal of Consent Form below and return to the Aquatics GB Events Department at British.events@aquaticsgb.com.

If you, as a Parent/Guardian/Carer, have concerns about your child being photographed/filmed, please refer to the relevant Home Nation guidance document: Wavepower the Swim England Child Safeguarding Policy and Procedures; YPlant the Swim Wales Child Protection Policy; Scottish Swimming Child Protection Policy. If you have any concerns in this area, please contact the Data Protection Officer.

Please note that professional photography is not permitted at this event without prior written consent. Personal photography for private use is welcome provided it does not disrupt the event or infringe on the privacy of others.
